INTRODUCTION

Beginning with Volume Number 4, Issue Number 1, July 1966, and concluding in Volume 6, No. 2, October 1968, TAP ROOTS, the quarterly publication of The Genealogical Society of East Alabama, Inc., published a list of Lee County, Alabama Marriages, starting with the creation of the county in December 1867 and ending 29 January 1893.

The initial project of compiling this list was the combined efforts of four ladies, members of the Genealogical Society and the amount of information given for each marriage will vary, depending on which of the ladies did the copying. In any event, it was a monumental task:

Mrs. William Chappell Ross, Opelika, Alabama.

Mrs. Roy Tillery Sr., West Point, Georgia

Mrs. Hugh Byrd, Riverview, Alabama

Mrs. J. T. Sellers, Auburn, Alabama

Later a separate publication combining all five marriage record books was compiled by Thomas A. Dorrough. This contained an alphabetical grooms list, an alphabetical brides list and a separate listing by book and page within that book. It is that last listing that this digital record is based on.
