## Editors' Note

This two-volume set of Tallapoosa County Marriage Records was originally published in Tap Roots beginning in Volume 12, No. 4 and Marriage Records Book 1. Publication was continued in Tap Roots: 13, 14, 15, 16, 17, and concluded with Marriage Record Book 10 in Volume 18, No. 2. The period of time required to publish the records in installments was 1975-1980. This set will eliminate the search through the 7 volumes.

In preparing the manuscript for this publication, Mrs. J. H. Strother of Dadeville served as chairman. Her committee took that which had been published and compared, page by page, the recorded marriages in the Probate Office in Tallapoosa County. Some copying errors were found and corrected. A few records which had been omitted are now included. Anyone who has undertaken a job such as this one knows how easy it is to let those errors slip by. Mrs. Strother's committee has taken special care to give us a high degree of accuracy and we hope that you will find this work valuable for years to come.

It is with grateful acknowledgement that we express the appreciation of the Society to:

Mrs. Elizabeth W. Strother

Mrs. Lois Tolleson

Mrs. Julia Berry
